

Technical Working Group Meeting on Linking Small Farmers to the Market

December 1, 2009

The Cambodian Center for Study and Development in Agriculture (CEDAC) in collaboration with the Asiadhrra and funding support from the ASEAN Foundations organized a technical working group meeting on "Linking Small Farmers to Market" at the Cambodia-Japan Cooperation Center (CJCC), Phnom Penh. Twenty-four people representing a number of NGOs working on agriculture and rural development attended this meeting.

The objectives of the meeting were to:

- Share experiences related to linking small farmers to the market
- Discuss better solutions to the current problems and challenges of the farmers in linking to the markets
- Seek recommendations for stakeholders

The meeting was helpful for sharing the varied experiences of the participants, including the problems and challenges related to linking farmers to market. Many potential products from the NGOs were also recognized and discussed to extend links to market. Moreover, some policy recommendations were filed for the approaching National Dialogue or Technical Working Group.
