On March 6-7, 2010, CEDAC organized a Teachers' Forum at Phnom Pros Hotel, Kampong Cham province. Attending the forum were 32 participants (6 females) including principals, vice-principals and teachers of 22 different schools from 12 districts.

- Exchange experiences among CEDAC development professionals and teachers.
- Build an informal network among teachers from different schools.

These workshops were supported by the German Friedrich Naumann Foundation for Liberty (FNF), Cambodia's program.
